### Galveston's Tremont House To Reopen

Posted 5/14/2009 - 12:54:56 PM

GALVESTON ISLAND, TX—The Tremont House, a Wyndham Historic Hotel and Historic Hotel of America, will reopen June 1 following the restoration of its first level, which suffered flooding last year during Hurricane Ike.

Located in the 1879 Leon & H. Blum Building in the heart of historic downtown Galveston, the hotel's restored lobby and Toujouse Bar area, which will continue to reflect a European-style hotel decorated in black, white, gray and green palettes, now features new JANUS et Cie furniture, Calacatta marble and an expanded front desk.

The historic Toujouse Bar, which dates to the 1870s, was not damaged by the storm.

A new Tremont Café, coming in July, will feature Starbucks® coffee, pastries, oven-cooked pizza, gourmet sandwiches, salads, soups and desserts. The Café will serve breakfast, lunch and dinner as well as provide items for room service.

Designed to appeal to travelers' mobile computing needs, the café will feature 42-inch plasma monitors, Internet booths and complimentary wireless Internet access and printing.

The Tremont House also will offer free wireless Internet service in its lobby and guest rooms.

The Tremont House will soon be one of the first hotels in Texas to offer allergen-friendly guest rooms and meeting space through the upscale chain's Wyndham ClearAir initiative. Utilizing a comprehensive purification system **designed** by New York-based Pure Solutions NA, Wyndham ClearAir rooms undergo a multistep cleaning process **designed** to remove up to 98 percent of allergens.

The Tremont House is owned by Mitchell Historic Properties.
