

kobo forma

The future of reading takes shape

With our largest and most lightweight design, and new page-turn buttons to move you through your story, Kobo Forma is our most comfortable eReader yet. Choose landscape or portrait mode on a durable 8.0" HD Carta E Ink screen. ComfortLight PRO offers the best light any time of day, and waterproofing means you can soak up a story anywhere, even beneath the surface. Kobo Forma is where the future of reading takes shape.
