

Innisbrook makes mulligans special

ST. PETERSBURG, Fla. — Golfers will appreciate the spirit of Innisbrook resort's Meeting Mulligan package. It's designed for groups that have had a bad meeting experience and want the chance to take a mulligan, a golf term for a "do-over" — hitting a shot twice but counting it only once. Appropriately, two-for-one specials on accommodations, room rates and rounds of golf are part of the deal.

National Mulligan Day is Oct. 17, but the meeting package is valid for meetings held by the end of 2011 that are booked by Dec. 31 of this year.

Starting at \$99 per person, packages are valid for groups of 10 room nights or more, with a two-night minimum.
