

I Am asking the public's assistance for my
Son Jason Quinn Antonio: For any information
On his Brutal attack.

IN the early morning of Oct 4th 2014
On this Warm Saturday morning my precious
Son and Father was Brutely Shot Numerous
times while leaving his home in the Alley
located at 311 Monora Rd NE. His life
was taken this morning the Person or Person's
Had No regard for the Safety of other's
As the Cold blooded Killer aimlessly fired
multiple bullets throughout this area in which
several shots penetrated his body fatally
ending his young life of 39 years
As a mother plea for justice is asked to
help bring this Coward to face justice.
My Son would have celebrated his 40th birthday
on the 9th of Nov. But his Family grieve his
death. He was a generous Soul that would give
to anyone in need. He had many friends that
he helped when asked and did not question why.
His sincere warm smile and kind eyes penetrated
the hearts of many.
I as his mother must hold hope that
someone out there has information that will
assist in finding the person or people responsible.
As this predator is on the loose...

There is not a day a hour that goes by that I do not feel the pain of my son's Brutal attack. I know he is with me, in Spirit, But I try to face the reality of never seeing his physical body walk through my door. He was a man of integrity and loved animals. Loved the simple things in life. And respected those for who they were. I wish to thank anyone in advance that may had seen anyone running in the area that morning or lurking behind a tree, a fence A car running or squealing away, Any conversation Any talk in coffee shops. Bars. If any article's my have been found in that area.

The Trans Canada Mall is just a few blocks from the home in which he lived. Located on 52 St just south of Hwy 1 or 16th Ave. Merchant's of this Mall may have seen heard or Found something that may assist with the investigation.
