Ballet Tennessee of Chattanooga, TN, welcomes Ailey II to its hometown for one night only, presenting this group of vibrant young dancers at the Tivoli Theatre on Jan. 28. Don't be fooled by Ailey II's status as a "junior" troupe; they may be less experienced than their parent company, but they are sure to impress in two new works—Stefanie Batten Bland's *The Legacy of Inheritance* and Troy Powell's *Reference Point*—and the classic *Revelations*. Ailey II will also offer a master class during their stay in Chattanooga. See www.ballettennessee.org and www.alvinailey.org/AileyII. —Siobhan Burke
