WATCH

Judy, Judy, Judy

It's all about Judy, pardon me, **Ms. Jamison**, that is, tonight at **City Center** where [Alvin Ailey American Dance Theater](#) is celebrating the 20th anniversary of its esteemed artistic director. The opening night gala, headed by **Pauletta** and **Denzel Washington**, will kick off the company's winter season, which runs through Jan. 3 and features programs that Ms. Jamison has brought into or revived for the Ailey repertory as well as a few premieres by other choreographers. The program, which begins at 7 p.m., includes a special performance of the Ailey staple "Revelations" to live music. It doesn't matter what day of the week it is. Put on your Sunday best and go.
