

CAFÉ BELLISSIMO Semi-Automatic Espresso Machine

Introducing the CAFÉ BELLISSIMO Semi-Automatic Espresso Machine. Paying homage to the home of the Espresso, the Italian name BELLISSIMO or “beautiful” reflects the sophisticated and stunning design of the coffee maker. The machine also embraces the beauty of flexibility by offering coffee connoisseurs the option to customize the perfect taste with an adjustable grinder and steam frother.

Loaded with Premium Features:

- **Powerful Infusion:** With a high 15 bars of pressure and pre-infusion of the coffee beans, the Italian made bar pump draws out the maximum flavor, giving you a beautifully balanced cup of espresso.
- **Built-In WiFi:** Owners can control their unit and customize their favorite drink recipes, including the strength and volume of their beverages, for morning routines or afternoon splurges all from the palm of the hand via the SmartHQ app.
- **Adjustable Grind Size:** Achieve the perfect taste with any bean roast thanks to a conical burr grinder that delivers an exact amount of fresh coffee grounds directly into the portafilter. Plus, control your grind size with 15 levels ranging from coarse to fine.
- **Flexible Steam Frother:** Get a variety of microfoam textures and thicknesses for lattes, flat whites, cappuccinos and more with a built-in steam wand that rotates in a 180-degree motion for control and convenience.
- **Quick, & Powerful Heating System:** An energy efficient aluminum block boiler with an integrated copper coil delivers 1,300 watts of power to heat water immediately and consistently, ensuring quality espresso every time.
- **Extra Large Water Reservoir:** Enjoy more beverages with fewer refills with the espresso machine’s 95-ounce water reservoir that’s compact and removable for easy cleaning.
- **Sealed Bean Hopper:** Detachable, BPA free and able to hold 0.6 pounds (275 grams), the hopper is UV resistant and sealed to preserve bean flavor and freshness.
- **Curated Finishes:** Available in three finishes, including matte white, matte black and steel silver, the espresso machine reflects consumer design preferences and complements existing CAFÉ collections.

Where to Buy:

The CAFÉ BELLISSIMO Semi-Automatic Espresso Machine will be available to purchase starting in October on cafeappliances.com for shipment in November. It will also roll-out to retailers nationwide in late October, including Best Buy, Williams-Sonoma, and Crate & Barrel for \$679 MSRP.
